

Gamma Gazette

President's Page

Your officers have been very busy completing biennium reports which were due by February 1st. A BIG thanks to Holley for helping with the online format—so easy for her, but not so easy for her mother.

We have also completed a chapter profile survey. I will be sharing these results with you at the next meeting.

It is time to elect new officers for 2014-2016. If you wish to serve, please contact Cheryl Patterson. The East Tennessee Xi State Officers' Training will be on March 29th. DKG is always willing to help/train you for leadership roles.

November Meeting Update

Dr. Sharon Pickering, principal at North Side School spoke to us in November. We have adopted this school as our project. North Side is a Title I school with many needs. One way we can help is by bringing canned goods to each meeting. They are **ALWAYS** in need of supplies for their food pantry.

Birthday Blessings

A big birthday blessing to the following members:

Carolyn Woolard—December 9

Sue Lockett—December 11

Jackie Maggard—January 7

Suzi Redman—January 15

Nancy Hodges—January 22

Janine Wilson – February 12

We plan to honor you at our February meeting with a loaf of “birthday bread.”

Gamma members and Dr. Pickering with some of the donations for the North Side School food pantry.

Elevator Speeches

Are you creating a Buzz for DKG? Have you given your “elevator” speech recently? If so, please share the incident with us at our next meeting.

February Program

Our own Cheryl Patterson will present the February program entitled, *What To Do With Those Harley Davidson Items In Your Attic*. Come and enjoy an evening hearing about her unique business.

We will also have an emphasis on Schools for Africa, the DKG International project.

Upcoming Program

The March program will feature homelessness in our schools and a literacy/CIEC emphasis. Remember to check your refrigerator magnet for meeting times and places.

“Elevator Speech”

...a brief description of the Society that can be shared with others who may not know who we are.

DKG's first official international project

Sister Trivia

Who has taught all levels from pre-school to college?

Who is a licensed Zumba instructor?

Who has travelled to all 50 states—48 of them in a RV?

Christmas Brunch Update

Beta Delta hosted the Area I Christmas Brunch at the Carnegie Hotel on Saturday, December 7th. Area I DKG sisters enjoyed delicious food and good entertainment. The guest speaker was Dr. Rebecca Isbell. She spoke to us on the “Myths of the Perfect Holiday.” Thanks to Dr. Sheila Smith and Beta Delta members for hosting a most enjoyable meeting. Iota Chapter has volunteered to host the Brunch in 2014.
